Tax Planning for 2022 and Beyond

Approved for 1hr California Statutorily Approved CE

There were several important tax changes made for the current tax year, so don't get caught flat-footed. This talk will help you plan your year-end for the new tax law changes that were implemented in 2022.

SPEAKER: Tom McFerson, CPA, ABV

Tom McFerson is a shareholder in Gatto McFerson, CPAs, a financial and consulting firm with a specialty in the veterinary industry.

Originally from Fresno, Tom ventured south for college and is a graduate of Loyola Marymount University. Tom is one of only a few CPAs serving the veterinary community that is accredited in Business Valuations by the American Institute of Certified Public Accountants.

Gatto McFerson, CPAs specializes in providing financial, tax, and purchase/sale consulting services to the veterinary industry.

Outside of work, Tom plays a lot of tennis, is an active dad with his three kids, and loves to travel with his wife and family, which includes a lovable lab.
